MARK E EASTER SUNDAY

The story so far...The fruits of our long and happy association with the Fringe are ripe for the plucking. Never before have we been so heavily involved with fringe activities and really for the first time we seem like a fully fledged fringe venue. benny mods has been at the coalface helping organise the fringe acts at sugar and making sure they have everything they need for the performances to run smoothly. In fact, all staff have stepped up to the next level in what is fast becoming our busiest period of the year. Of course mingled in with the fringe acts are the cream of the international deejays/producers network appearing at sugar and all this while Kiero is up to his armpits in nappies and self saucing baby poo. Baaaahahaha! In all seriousness, congratulations to Kiero and Fran on the arrival (finally) of little Amelia, from all of us in the sugar family. The month of march is no less full on than feb. There's clipsal, which most of us dont give a shit about, there's the Festival of Arts in its anniversary year, of course wonderful womad will bring the music of the world to the adelaide parklands and Future Music on adelaide cup day is also a huge day/night which dovetails nicely into our new monday lineup. (see new monday deets in this issue). Congratulations are also due for deejay Sanchez for taking out the fringe spin comp with sublime skills on the decks and a stack of real vinyl consisting in the main of hip hop and funk. Speaking of which, we are very happy to have Delta join HMC and Japeye on Wednesday nights playing hip hop/soul and funk. It's nice to have that mid week focus on music style which doesn't really happen on any other night where usually it's like anything goes. We've snapped up Tighpants as well and he joins us on monday and tuesday holding down the middle set. There's a lot to look forward to over the next month and beyond so take a deep breath, eat healthy and keep your party stamina up so you don't miss out on any sweetness. peace to all.

HORRORSCOPES

WITH *Lionel Midnight*

something lost is found again. The last pangs of a heartache fade away and you are renewed and revitalised. A hungry tongue creates waves in the saliva pool of your yearning heart. temperatures are raised and the one eyed python goes one on one with the seafood store.

a close encounter at the bar arouses the tribal need. drums are pounding but that may just be your beating heart. surely no-one can hear that? How wrong can you be. They can't hear it but they can tell. They can smell it on you. throw caution to the wind and caress the nearest phallus. it could be your own. you are in need of parental control. You've been fucking and dancing and drinking and partaking at the well of sins for longer than most of your friends can remember. you're fuck god attitude is contagious and your world is beginning to resemble ancient rome and the given debauchery therein.

You are being followed by a leaping and hopping moonshadow. There is a slight possibility that you will lose your hands but that's ok, at least you won't have to work no more, watch your mouth in case you lose your teeth...

You may meet a trapeze artist from out of town and you may end up with something of theirs on your bedroom floor. Your attempts to contact them to return said item are left bouncing in the safety net below. watered down emotions are turned to cordial (ity)

YOU TRY TO KEEP IT TOGETHER AT HORSE MEAT DISCO THIS YEAR BUT END UP IN A STICKY SITUATION WITH A COUPLE WHOSE RELATIONSHIP IS ON ROCKY GROUND. YOU'RE NOT HELPING AND NO AMOUNT OF ABANDONMENT ON YOUR PART IS GOING TO FIX IT. FAR BETTER TO FEIGN ILLNESS AND DO A RUNNER...

RUMOURS REGARDING PETE HERBERTS ENORMOUS MEMBER ARE GRIST FOR THE MILL FOR SURE BUT YOU GANT LEAVE IT AT THAT. NO. THESE THINGS ARE TO BE INVESTIGATED A LA MYTH BUSTERS. UNFORTUNATELY THE BEST LAID PLANS GO ASTRAY WHEN HE CATCHES YOU STARING AT HIS KNOB AND FREAKS OUT.

Your dreams of becoming a torch singer are so close you can almost reach out and feel exactly what they are made of. You already know though. This simply confirms that belief. and hope, and hard work and persistence truly pay off

YOU'VE HAD A CRUSH ON ONE OF THE SUGAR BAR STAFF FOR SO LONG NOW THAT FLIRTING ACROSS THE BAR IS NORMAL HARMLESS BEHAVIOUR. THIS MONTH YOU GO ONE OR TWO STEPS FURTHER.

THE REASON YOU COME TO SUGAR USED TO BE JUST FOR THE MUSIC BUT EVER SINCE TYSON (TIGHTPANTS) BALLARD HAS BEEN SPINNING ON MONDAY AND TUESDAY IT SEEMS LIKE WEDNESDAY HAS BECOME YOUR NEW SUNDAY...

serenditpity repeats itself constantly this month and your powers are heightened as you turn your ear away from your sexuality for a moment. Happy coincidences may conspire to see you with someone new to cuddle in the Autumn. As leaves fall so may you, in love that is.

this month is going to be the month that they're going to throw it back to you. By now you should have somehow realised what you've got to do....
