Titiana Fullindacup, 22 of Hope Valley loves prancing and dancing at sugar weeknights because there's less of a crowd bumping into her and toppling her over. She's free and easy to move around the dancefloor and has room to fully spread her juicy wings. Titiana loves twinkling her toes to the sparkling sounds being played by Lachy Lang Monday nights and the pool comp allows her to use her assets to their fullest. ...X L

AND WHEN WE HAVE OUR NAKED FRAILTIES HID,
THAT SUFFER IN EXPOSURE, LET US MEET
AND QUESTION THIS MOST BLOODY PIECE OF WORK,
TO KNOW IT FURTHER. FEARS AND SCRUPLES SHAKE
US. IN THE GREAT HAND OF GOD I STAND, AND
THENCE AGAINST THE UNDIVULGED PRETENCE
I FIGHT OF TREASONOUS MALICE.

AND SO DO I.

SO ALL.

LET'S BRIEFLY PUT ON MANLY READINESS,
AND MEET I'THE HALL TOGETHER.

WELL CONTENTED.

WHAT WILL YOU DO ?
LET'S NOT CONSORT WITH THEM.
TO SHOW AN UNFELT SORROW
IS AN OFFICE WHICH
THE FALSE MAN DOES EASY.
I'LL TO ENGLAND.

TO IRELAND, I ;
OUR SEPARATED FORTUNE
SHALL KEEP US BOTH THE SAFER.
WHERE WE ARE
THERE'S DAGGERS
IN MEN'S SMILES :
THE NEAR IN BLOOD,
THE NEARER BLOODY.

THIS MURDEROUS SHAFT THAT'S
SHOT HATH NOT YET LIGHTED,
AND OUR SAFEST WAY IS TO
AVOID THE AIM. THEREFORE TO
HORSE, AND LET US NOT BE
DAINTY OF LEAVE-TAKING,

BUT SHIFT AWAY.
THERE'S WARRANT IN THAT THEFT
WHICH STEALS ITSELF
WHEN THERE'S NO MERCY LEFT.

kiero's tips for disco dancin'

Instead of the hips moving from side to side, or forward to back, in the Scrunch they move from center to back with the accent on the back part. To put it more succinctly, you'll be sticking out your bottom on every beat, and doing it with feeling!

SCRUNCH HIPS

Starting Position: Feet a little further than shoulder width apart, knees bent.

Counts

Description

————— 1

Put most of your weight onto one foot and stick out your buttocks by releasing your pelvis backward (look as though you're about to take a seat).

————— and

Return hips to center (normal) position, but keep your weight on the same foot and keep both knees bent

————— 2

Repeat count 1

————— and

Return hips center and immediately transfer weight onto other foot

3

Repeat count 1 (with weight on other foot) —————

and

Return hips to center

4

Repeat count 3

and

Return hips center and transfer weight over to other foot.

D-T3CH (Melb)
Highjack, Robsoul, Blockhead

John Maly has grown to become one of the most in demand artists in underground House music today. Working under a number of different aliases, such as "D-3CH", "Jazzmaster J" and "Creative Controller", and on the fringes of labels "Highjack Records" and "Sole Priority Music", he is recognised with a wide array of increasingly great music that never fails to move. He has worked with many well respected labels such as Robsoul, Blockhead, Guesthouse and Sockata City to name a few, and is one of the few artists left who's music is still available in 12inch vinyl format.

Having been Melbourne Australia, but having spent most of his life travelling all over the globe, he has grown to appreciate a broad range of music and his sound is heavily influenced by Jazz, Funk, Groove, Hip Hop and Soul. His production work has been featured on various tracks by everyone from DJ Sneak, Derrick Carter, Mark Farina to Roy Davis Jr. as well as being licensed to commercial sites such as various documentaries.

The story so far... August went off like a frog in a sock! The nasty cold weather is almost gone and you know what that means,,love is in the air because fair spring is here! Tune in because there are some new plans afoot for the sweetest gal in town. Starting in September we will be opening the doors at 6 pm. Do you remember when Dennis Sheridan sang at Q Bar and then Sugar? That's kind of how it's gonna run. Sean Robertson -Arts SA singer/songwriter of 2007/2008 will be singing and playing his guitar from 6 pm til 9 pm every friday evening and we will provide the nibbles from the local restaurants. After work or happen to be out and about? Dew Drop Inn! We'd love to see you! The Brown Sugar Gallery has been a source of inspiration for all our customers and this month we are featuring the work of Chris and Hilary Gaston. As you know we are just too sweet to take any commission from the artists which means they can drop their prices to make it more accessible for you if you are keen to snap one up.. Mark my words you won't get one for less any where else. Monkey Tennis begins this month and will be bi monthly from now on. Wednesday night is doing good things simply because the music is so bloody good and the same goes for Sunday. The spotlight now falls on Thursday which needs a change and unfortunately that means we say thanks to the deejays who have served thursday night so well for the past 5 years. It's a shame but at the same time it's a chance for a new direction and an opportunity for fresh ideas. The door has opened for Sid to return to his spiritual home after doing good things for the west end. Unfortunately for them the prodigal son has returned and he brings with him a concept we are keen to embrace and it's one which fits so well with our vision of what a club can and should be. It begins mid October so there is plenty of time for Sid to get his crew on line. I don't want to say too much here and give anything away except to say how pleased we are to have sid back on board. Adult Arts Club here we come! The annual sneaker Party is back featuring DJ Quickmix (USA) HMC & Moto. You can check out the fotos from Berlin Sessions in this issue and sit tight while we create the new sugar blog. It's all go luv!!

HORRORSCOPES

WITH *Lionel Midnight*

Capricorn

temporary blindness causes major problems for you this month. the smallest task becomes a nightmare and getting through the everyday makes you realise how bad blind people have it. Women however feel sorry for blind people so expect a sympathy fuck along the way. She dumps you when your sight returns.

Aquarius

For no particular reason this month people really annoy you and you find yourself fighting an overwhelming urge to lash out and poke pins in the eyes of those closest to you. Your binge drinking only exacerbates.

Pisces

You are keen for a new pair of sneakers but don't want to spend too much money. A trip to harbour town causes a run in with a bogan in the car park. it all turns out ok however when the bogan's kid smears shit on the parent.

Aries

SHORT OF CASH YOU HEAD INTO SUGAR FOR THE MONDAY NIGHT POOL COMP. YOU DON'T WIN BUT YOU DO GET LAID IN THE UNISEX TOILET WHICH IN A WAY IS KIND OF LIKE WINNING ANYWAY. WEAR PASTEL COLOURS A decision to return to a place you just left leads to a discovery that will change your life.

Taurus

Revenge is a dish best served cold so you book yourself on a plane to anywhere out of here. consumed by thoughts of retribution you stumble across a magic lamp on a deserted beach.

Gemini

You have been looking forward to seeing the Loin Brothers playing at sugar for quite some time and the thought of fucking one or both of them has crossed your mind on more than one occasion. Your obsession with Loin brother cock gets you into hot water with parents and teachers alike as stories of your antics filter back.

Cancer

change is on the cards for crabs this month. some crabs will change everything including their names at the deed poll office.

Leo

After your huge night at the MJ Thriller party you feel an urge to explore the options surrounding cosmetic surgery, some Lions will have their tails enhanced while others decide to merely trim their mane. It does cause a great deal of concern among your peer group however that only serves to increase your curiosity.

Virgo

An incident in a department store involving a stuffed toy and a jar of hair gel causes setbacks in the workplace. Once the pin-up poster for hard work and diligence you are now the subject of a whisper campaign that derails your career. What seems like bad news however leads to a lifetime passion of working with small children.

Libra

You return from uni confused and unsure of your future. After a brief affair with the wife of your father's business partner you begin dating their daughter with disastrous consequences.

Scorpio

The drought and a series of poor business decisions are causing your family to drink excessively resulting in you having trouble dealing with the monotony of your everyday life. Out of the blue you receive a proposal of marriage from a wealthy young man however the financial situation of your family results in you having to work as a governess for an illiterate neighbour to whom your father owes money. This is not such a brilliant career move.

Sagittarius

you find yourself sentenced to a brief stint in jail so you decide to feign mental illness in order to be transferred to a mental institution so that you serve out your term in relative comfort. What you didnt plan on however is the evil nurse and the deep friendships you form with other inmates.
