Robyn Banks 26 a secretary from Hyde Park has been a member of sugar since 2005. She is a massive fan of sex before marriage and dancing "jive" style. She turns her toast butter side down when she eats it and prefers her rice to be fried rather than steamed. Before she comes to sugar on a saturday night she likes to practice her jiving with a fake arm she had screwed to her living room wall. More recently she's been turning up to sugar on a Sunday night because she heard James Curd from the Greenskeepers is the new resident Sunday deejay. Watch out Minnie!!

## ACT III SCENE IV

YOU KNOW YOUR OWN DEGREES,  
SIT DOWN: AT FIRST  
AND LAST, THE HEARTY WELCOME.

THANKS TO YOUR MAJESTY.

OURSELF WILL MINGLE WITH  
SOCIETY AND PLAY THE HUMBLE HOST.  
OUR HOSTESS KEEPS HER STATE,  
BUT IN BEST TIME WE WILL  
REQUIRE HER WELCOME.

PRONOUNCE IT FOR ME, SIR, TO ALL  
OUR FRIENDS, FOR MY HEART,  
SPEAKS THEY ARE WELCOME.

SEE, THEY ENCOUNTER THEE  
WITH THEIR HEARTS' THANKS:  
BOTH SIDES ARE EVEN.  
HERE, I'LL SIT I'THE MIDST.  
BE LARGE IN MIRTH;  
ANON WE'LL DRINK A MEASURE  
THE TABLE ROUND.

THERE'S BLOOD UPON THY FACE !

'TIS BANQUO'S THEN.

'TIS BETTER THEE WITHOUT  
THAN HE WITHIN.  
IS HE DISPATCHED ?

MY LORD, HIS THROAT IS CUT ;  
THAT I DID FOR HIM.

After a particularly debauchorous night of drinking and lechery at sugar you wind up having some fast rough sex with a boy called jamie in the unisex toilets.

You really like this guy but unfortunately for you, he won't be calling you ever again.

One of your best male friends has a little hobby which you discover one night during a sleepover. You catch them stealing your underwear and posing scantily clad in front of your mirror. Watch out for spiders

**Nothing is what it seems to be this month. Time and time again you are caught out so perhaps stop being so judgemental and be a little more open to spontaneity. Surprises are in store!**

YOU CATCH YOUR FRIEND IN THE ACT OF SEX AND NEVER REALISED THEY HAVE A STRANGE BIRTHMARK OR DISCOLOURISATION AROUND THEIR PRIVATE PARTS. YOU WANT TO KNOW MORE BUT WOULD BE WELL ADVISED TO NEVER EVER MENTION THE SUBJECT AGAIN!!

Your friend's mother has been acting a little weird toward you lately and it's only when you accidentally stumble into her bedroom one night a little drunk that you discover a kind of shrine to you on her vanity mirror! Cat hair causes discomfort.

An accident while shaving has you running around for some tissue to stem the bleeding. Unable to find tissue paper you grab an old newspaper only to notice an advertisement which had previously gone unnoticed. Out of interest you pursue the advert further only to discover a whole new future.

One night your friends decide to party at a different venue to sugar. Unfortunately the music sucks and you and your friends are held prisoner for several days in a shack on the yorke peninsula where you are forced to do horrendous things. You escape and vow only to party at sugar.

AN ENCOUNTER WITH A HORSE AT AN EQUESTRIAN EVENT OPENS UP A WORLD OF NEW POSSIBILITIES. UNFORTUNATELY YOUR PARENTS ARE COMPLETELY AGAINST YOUR PLANS AND IN SCENES REMINISCENT OF ENDLESS LOVE YOUR PARENTS TRY TO PREVENT YOU FROM SEEING THE HORSE AGAIN.

Plans to buy your own fish and chip shop are shattered when the bank refuses to give you a loan. A friend loans you a gun however and suddenly the money starts rolling in.

**Your best friend's father begins confiding in you about his sex life with his wife. This makes you feel a little weird so one day you decide to tell your friend who then delivers some news that shakes you to your very foundations.**

Sick of all the so called natural disasters in the world you decide to seek solace in prayer at your local church. You haven't been to church for some time so unaware of protocol you enter through the back door only to discover the priest in a compromising position with one of the young choir boys. You decide to join the choir immediately.

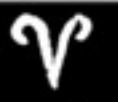

The number of lovers you have had so far in 2011 is drawing attention from your friends who are now planning an intervention. You get on the front foot and seek immediate help from a psychiatrist. This only results in you giving up smoking however as your sex life booms!
